**BABYLON**<sup>®</sup>  
MICRO-FARMS

**Our senior living and healthcare partners love how Babylon Micro-Farms™ helps them** communicate their commitment to a more sustainable future. Residents love the healthy, nutritious produce, as well as the engagement and educational elements.

## **Automated Growing**

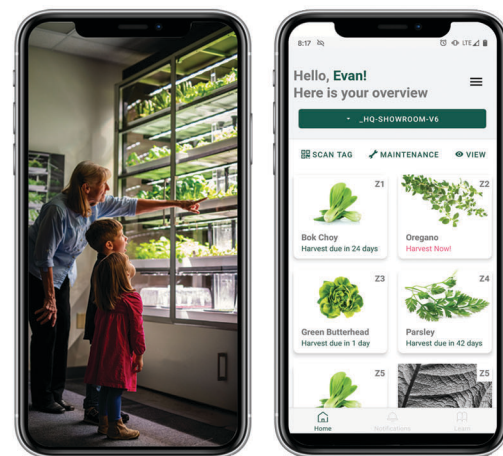

Proprietary technology ensures plants receive the optimal amount of light, water and nutrients.

## **Remotely Managed and App Alerts**

Sensors and cameras continuously relay data about the farm, allowing Babylon to monitor performance and make adjustments from afar. Babylon's Guided Growing app alerts you when crops are ready for transplant or harvest.

## **Personalized Support**

Dedicated customer experience manager, online Help Center, and how-to videos to ensure you have the help you need, when you need it.

### **Guided Growing™ App**

Provides you all the guidance you need to be a successful indoor Farmer. From germination & crop care to harvesting & support, it has your back every step of the way.

## **Big Impact. Big Taste. Small Farm.**

Babylon's cloud-managed hydroponic micro-farms help create healthier companies and a cleaner planet.

(per farm each year & compared to traditional farming)
